Pope Francis Quotes

• Each of us has a vision of being good. We have to encourage people to move towards what they think is good. Everyone has his own idea of good and evil and must choose to follow the good and fight evil as he conceives them. That would be enough to make the world a better place.

◆ We all have the duty to do good.

• A little bit of mercy makes the world less cold and more just.

• Situations can change; people can change. Be the first to seek to bring good. Do not grow accustomed to evil, but defeat it with good.

• Living together is an art. It's a patient art, it's a beautiful art, it's fascinating.

- POPE FRANCIS

Our Father Founder's Quotes

- **YOU ARE CALLED TO BE PERSON OF FAITH NOT SIMPLY PERSON OF ACTION.**
- **DON'T STOP WITH PRAYER ALONE. LET YOUR FAITH BE SEEN IN ACTIONS.**
- **ALONE YOU CAN GO FAST; TOGETHER, YOU CAN GO FAR.**
- **HAPPINESS IS SOMETHING THAT WE BRING FORTH FROM WITHIN.**
- **IN YOUR GENEROSITY, GIVE TO OTHERS; IN HIS MAGNANIMITY, GOD WILL GIVE TO YOU.**
- **IF YOU SOW HAPPINESS, YOU WILL REAP HAPPINESS.**
- **IF YOU SOW HATRED, ONLY EVIL WILL BEFALL YOU.**
- **SPEAK LESS; THE MORE YOU TALK, THE MORE YOU SIN.**
- **DO NOT ENSLAVE OTHERS; EITHER WITH HATRED OR WITH LOVE.**

Provincial Message

Dear and Loving Sisters in Christ Jesus!!!

I am delighted to connect with you all through these few lines on honesty and sincerity, the pillars of integrity. I emphasize these virtues because as many of us embark on new ministries in July 2024, let us establish these two virtues as the foundation for our ministry and service.

Honesty and sincerity form the bedrock of virtuous character, shaping individuals into beacons of integrity and trustworthiness. These qualities transcend mere adherence to rules; they reflect a deep-rooted commitment to truthfulness and authenticity in all aspects of life.

Honesty, fundamentally, is the practice of being truthful and transparent in words, actions, and intentions. It involves a steadfast adherence to facts and principles, regardless of circumstance or consequence. Honesty cultivates trust among peers, fostering genuine relationships built on mutual respect and reliability. It empowers individuals to uphold their moral compass even in challenging situations, demonstrating courage and integrity in decision-making.

Sincerity complements honesty by encompassing genuine intentions and authenticity. It emanates from a place of inner truthfulness, where actions align seamlessly with beliefs and values. Sincerity transcends superficiality, inspiring confidence and respect from others. It nurtures empathy and understanding in interpersonal relationships, forging connections based on mutual understanding and compassion.

Provincial Message

In our daily life, honesty and sincerity pave the way for ethical conduct and responsible leadership. Leaders who embody these virtues cultivate a culture of accountability and fairness, enhancing productivity and morale within the community. Leaders who prioritize honesty and sincerity earn the loyalty and admiration of the community members, fostering an environment where openness and trust thrive.

On a personal level, honesty and sincerity foster self-awareness and growth. Embracing these virtues empowers individual sisters to confront challenges with courage and humility, leading to personal fulfillment and resilience. By cultivating a habit of honesty and sincerity, individual sisters build a foundation of integrity that guides them through life's complexities with grace and conviction.

I conclude that honesty and sincerity are not just moral virtues; they are indispensable pillars of character that shape individuals into ethical and respected members of society. By upholding these principles in all endeavors, individuals contribute to a world where trust, fairness, and authenticity reign supreme. Let us embrace honesty and sincerity as guiding principles, ensuring that our actions and words reflect our commitment to truth and genuine compassion for others.

In embodying these virtues, we not only enrich our own lives but also inspire those around us to strive for the highest standards of integrity and honor.
