Pope Francis Quotes

Dear Brothers and sisters, our God is a communion of love: and this is how Jesus revealed him to us. And do you know how we can remember this? With the simplest gesture, which we learned as children: the sign of the cross. By tracing the cross on our body, we remind ourselves how much God loved us, to the point of giving his life for us; and we repeat to ourselves that his love envelops us completely, from top to bottom, from left to right, like an embrace that never abandons us."

With simplicity, Jesus gives us the greatest sacrament. His is a humble gesture of giving, a gesture of sharing. At the culmination of his life, he does not distribute an abundance of bread to feed the multitudes but breaks himself apart at the Passover supper with the disciples. In this way, Jesus shows us that the aim of life lies in self-giving, that the greatest thing is to serve"

- POPE FRANCIS

Our Father Founder's Inspirational words

Empower yourself in the proper sense of the word. In the word 'empower' itself there is power. What is power? For example, electricity is one kind of power. If one touches it in an unsafe manner, it would give shock. But at the same time, it can make lights burn and make a place bright. Similarly, there is social power, political power, intellectual power, scientific power and so on.

Empowerment is enabling somebody to become something or making somebody grow into a person of capacity. Empowerment enables a person to perform those things that help him or her to achieve the given goals. Persons in power, whether in the political field or religious field, are expected to make decisions promptly. Prompt decision-making is very, very important

Provincial Message

Dear sisters in Christ Jesus!!!

As we are nearing the feast of Sacred Heart let us contemplate on theme “**the Compassionate Love of the Sacred Heart of Jesus**”. In the vast tapestry of religious devotion, few symbols encapsulate the essence of compassion and divine love as profoundly as the Sacred Heart of Jesus. Rooted in Christian theology and tradition, this emblem serves as a beacon of hope, solace, and unwavering love for countless believers worldwide.

The image of the Sacred Heart, often depicted as a heart aflame with divine light and encircled by a crown of thorns, is rich in symbolism. The flames symbolize the intensity of Christ's love, burning bright even amidst the darkest of times. The crown of thorns serves as a reminder of the suffering and sacrifice endured by Jesus for the salvation of humanity—a testament to the depth of his compassion.

In contemplating the Sacred Heart, believers are called to emulate Christ's compassion and mercy towards all beings, regardless of their station in life or their past transgressions.

Provincial Message

Moreover, the Sacred Heart serves as a source of comfort and consolation for those who are burdened by the trials and tribulations of life. In times of sorrow, despair, or uncertainty, believers turn to the Sacred Heart as a source of strength and renewal—a beacon of hope in a world fraught with challenges.

The devotion to the Sacred Heart also emphasizes the transformative power of love—the ability of divine love to heal wounds, mend broken hearts, and bring about spiritual renewal. Through prayer, contemplation, and acts of kindness, believers seek to cultivate a deeper connection with the Sacred Heart, allowing its love to permeate their lives and transform their souls.

In essence, the devotion to the Sacred Heart of Jesus is a testament to the enduring power of love—a love that transcends human understanding and offers redemption to all who seek it. It is a love that is at once profound and infinite, offering solace to the weary, hope to the downtrodden, and salvation to all who believe. As we contemplate the Sacred Heart, may we be reminded of the boundless love that surrounds us and be inspired to share that love with others in our daily lives.

Yours' in Christ Jesus
Sr. Antoniammal DMI
