POPE'S MESSAGE

Pope Leo XIV says in first speech, addressed from St Peter's Basilica, has as its theme, **“Peace be with you all”**.

Greetings to Rome and to the world

Peace be with you! Dearest brothers and sisters, this was the first greeting of the risen Christ, the good shepherd who gave His life for the flock of God. I, too, would like this greeting of peace to enter your hearts, to reach your families and all people, wherever they are; and all the peoples, and all the earth: Peace be with you.

This is the peace of the Risen Christ, a disarming and humble and preserving peace. It comes from God. God, who loves all of us, without any limits or conditions. Let us keep in our ears the weak but al-

God loves us, all of us, evil will not prevail. We are all in the hands of God. Without fear, united, hand in hand with God and among ourselves, we will go forward. We are Disciples of Christ, Christ goes before us, and the world needs His light. Humanity needs Him like a bridge to reach God and His love. You help us to build bridges with dialogue and encounter so we can all be one people always in peace.

To walk together with you as a united Church searching all together for peace and justice, working together as women and men, faithful to Jesus Christ without fear, proclaiming Christ, to be missionaries, faithful to the gospel.

I am a son of Saint Augustine, an Augustinian. He said, "With you I am a Christian, for you a bishop." So may we all walk together towards that homeland that God has prepared for us.

POPE LEO XIV

Founder's Quotes

Every work and any work is holy work, if done for God.

Your choices make your world.

What we choose could be a disaster; what God offers -a blessing!

Why you go is more important than where you go.

Rev. Dr.Fr.J.E.Arulraj

Provincial Message

Dear Sisters,

I am truly glad to share these thoughts, which I hope will help each one of us grow closer to our loving Lord Jesus by becoming God-centered and available to others. Let us strive to grow as integral persons who persevere in our spiritual journey, working toward our goal and allowing ourselves to be transformed in Christ.

I sincerely invite all of us to reflect and contemplate throughout this month, and to share the inspirations we receive with one another in our community.

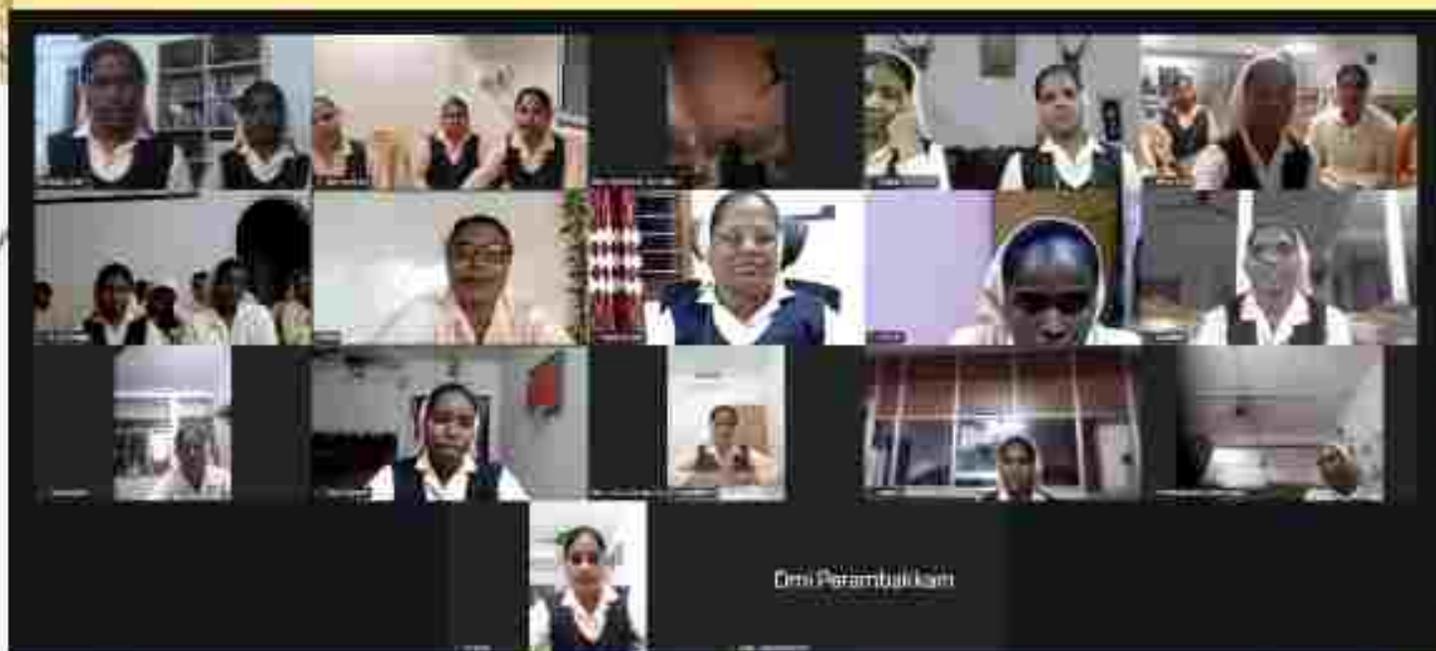

- . An integral and persevering personality is one rooted in humility, truth, and unwavering faith in God's purpose.**
- . Sisters, remember: your worth is not in comparison, but in your quiet, faithful "yes" to God's call each day.**

- Low self-esteem is not humility—God has chosen and anointed you; walk with confidence in His grace.**
- Likewise, arrogance dims the light of Christ in us; true greatness lies in serving others with love and gentleness.**
- A persevering soul does not seek recognition but continues with joy, even in silence and small duties.**
- Build your integrity in the hidden moments—God sees your sincerity more than the world sees your success.**
- When we are too proud, we cannot listen; when we feel too small, we do not speak—neither serves the mission.**
- True strength is shown when we admit our faults and rise again, depending entirely on Christ.**
- As sisters, let us lift one another up—encouraging the timid and gently guiding the proud.**
- May our personalities reflect Christ: firm in truth, rich in love, and steadfast in the journey toward holiness.**

**Yours in Christ
Sr. A. Antoniammal DMI**

Sub: Virtual Labs Nodal Center

With reference to your Expression of Interest (EOI) submitted on 01st April, 2025 for Virtual Labs, it gives me immense pleasure to designate your Institute as a Nodal Center for Virtual Labs. As nominated by you, **Mr. P. Muthamil Selvan** has been accepted to act as the Institute Nodal Coordinator (INC) from your Institute. This approval letter is valid up to 31st December, 2025. Subject to the following Terms and Conditions and any subsequent directives as issued by MoE, from time to time:

1. Approved status of AICTE/STEB/UGC is mandatory for your Institute.
2. The Institute should have a valid AISHE and AICTE Code or UGC Approval Number.
3. The necessary infrastructure (space having personal computers with 1 Mbps broadband internet connectivity) is to be maintained at your own cost for Virtual Labs.
4. Students should not be charged any extra fee for providing a Virtual Labs facility for their usage.
5. Nodal centers will get operational and technical support.
6. Nodal centers should submit the Monthly Virtual Labs Usage Report.
7. Strict adherence to the standard lab procedures and cyber security rules must be followed.
8. Any violation of the above will automatically cancel your Institute's Nodal Centre status without giving any notice.

Kindly acknowledge the receipt of this letter and the acceptance of the Terms & Conditions mentioned above. We thank you again for your interest in the Virtual Labs project and appreciate your proactive in the service of the student community.

With you all the best!

Thank You
