# PROVINCIAL MESSAGE

**Dear Friends,**

*Wishing you a Happy Feast of Nativity of our Blessed Virgin Mary!*

In the Gospel, we read a segment of Joseph, Mary, and Jesus, the Holy family going to the Jerusalem temple for the feast. A strange thing the holy family encounters in Jerusalem brings clarity to Mary and Joseph about Jesus. Small boy Jesus is found a mission in the crowd, instead of searching for parents like any other child. Jesus, the boy made use of this opportunity as an entry point of his business of God the Father entrusted on him. On the other hand, Joseph and Mary worried so much about the missing boy, forgetting the words of Simeon that he would be the trendsetter for establishing the Kingdom of God. When Mary said to boy Jesus that they were searching for him, his answer was **“Don’t you know that I am at the business of the FATHER”**. Yes **Most. Rev. Fr. Dr. J. E. Arul Raj** also says understanding his call to be at the business of the Abba Father.

## **At the business of the Father**

Jesus reveals about the business of the Father choosing a choice of becoming a savior of the world by his life, suffering, death, and resurrection. He grew strongly without losing himself of the world even though he helped his worldly father Joseph. He knew that God is full of love and mercy to humanity and to save the world he sent only His son to die for us and redeem us from the sin of the world.

## **At the business**

Most Rev. Fr. J. E. Arul Raj, adhering to the spirit of Jesus, realized his call to be at the business of the Abba Father. Having immersed in the faith of God the Father, sealed by the mark of Baptism, emulated the faith Abraham, begun the missions at a very young age by participating in the common priesthood in the congregation of the Missionary Oblates of Mary Immaculate and wonderfully served most abandoned people. His business did not stop there alone rather he was designated by God to extend his business by founding two wonderful Societies DMI & MMI to the mother church and giving birth to the Charism of “Loving God and serving the poor”.

Many misunderstood our founder as a commercial businessman, even uttered straight to him, but he was convinced that he was at the business of the Abba Father and him alone. He openly admitted that he is not a Bakthi Yogi rather Karma Yogi who believes in attaining holiness through his service in an active mission. He says that he could not separate deed and devotion. He sees deeds and devotion together mark miracles in the world especially in uplifting the poor in many faces through multifaceted missions. **As Jesus said he is at the business of the Father and His food is to do the will of the FATHER, Fr. Arul Raj also imitates Jesus to complete the work which the Father has assigned him to do so.** People see him as a businessman, yes, of course, he is a businessman doing the mission of the Father in preaching the good news to the entire world and saving the souls of God.

He is an icon surprising the church but in the eyes of God, it's a glory and blessing. He rightly stimulates us in establishing the Kingdom of God in this beautiful universe by loving humanity and the creatures. **He is a popular role model for many of us in our Society and mother church, urge many Congregations to be active in building the Kingdom of God with innovative missions.** We all vouchsafe that Fr. Arul Raj is truly at the business of Abba Father. Can we give assurance that we too live and love God as like our founder? If yes, feel proud that we are his stalwart children creating the bonding with Abba Father by doing his will. Let our love for him be reflected in our lives and missions.

We wish our founder on his final commitment that God may shower his choicest blessing upon him to be at the service of our Heavenly Father for many more years with zeal and love.

**May God bless you all!**

1.Be open to everything and attached to nothing

- Open your mind to all possibilities – have the belief that all things are possible. This is a powerful mindset. If you close your mind off to something, it no longer becomes a possibility. We might as well be open to all possibilities because that (at the very least) allows them the opportunity to come to fruition.

## **The Wise Man**

People have been coming to the wise man, complaining about the same problems every time. One day he told them a joke and every one roared in laughter.

After a couple of minutes, he told them the same joke and only a few of them smiled.

When he told the same joke for the third time no one laughed anymore.

### **The wise man smiled and said:**

“You can’t laugh at the same joke over and over. So why are you always crying about the same problem?”

### **Moral of the story:**

Worrying won’t solve your problems. It’ll just waste your time and energy.

## OH! MY LOVLIEST MOTHER!

Oh! My loveliest mother,  
All that I am today or ever hope to be,  
I owe to you my dear angel mother.  
Your love for me was constant; your devotion had no end,  
You filled my life with sunshine, as a mother and a friend.

Your life was a blessing, your memory a treasure...  
You are loved beyond words, and missed beyond measure...  
Your love is forever strong, never changing any time,  
When we your children need you most, your love shines.

Oh! My loveliest mother,  
You have made my life smoother,  
You are my guide that always I pride.  
How precious you are to me, I can not express it in words,  
You are in my heart; I will love you forever and ever.

Oh! My loveliest mother!  
The day you left and gained your wings, my heart just broke in two,  
I wished, you could have stayed with me, but heaven needed you.  
You left me beautiful memories; your love is still my guide,  
Although I can not see you today, you are always at my side.

Oh! My loveliest mother!  
You were a very special person  
With kindness in your heart,  
With gentleness in your mind, with compassionate in your deeds,  
The love we had together with you is never apart.

Oh! My loveliest mother,  
You are the sweetest one in the world,  
You are the one, who can take the place of all.  
I am remembering all the thoughtful things you have done for me...  
All these things both great and small including,  
I thank you and love you.

Oh! My loveliest mother,  
Whenever I had dream, you went to the extreme,  
You became the supreme, to fulfill my entire innocent dream.  
Oh! My loveliest mother!

## **A MOTHER'S LOVE IS BEST LOVE**

*"The loveliest masterpiece of the heart of GOD is the heart of a mother."*

**"Mother's love is sweeter than honey".**

Mother is the most precious person that can not be illustrate in words. Mother is a real blessing and gift of God. She is the manifestation of true love. We cannot compare the love of mother to anything except the love of God. It is the mother who concerned everything to her children.

She accepts her children as they are and at any moment ever available to accompany with them, in order to direct them in right way. Mother's way of living is very simple, self giving, generous and magnanimous in obedience. Only children can really observe the quality of mothers. Mother is our guide, career counselor, intimate friend and above all our world. We can never ever see so near and dear to us except our mother.

A mother is admirable hard worker, very dedicated to her duties. As well as she is the best and first teacher of our life. She gives her company when we face any hardship in our life. She not only helps but also encourages facing the challenges of life boldly. She is the first leader of our life who led us to the right path and taught us to be righteous and truthful. We are proud of our mother, may good GOD bestow His blessing in lavished fully on our mothers.

*Thank you!*
