Superior General Message

Dear Sisters,

The month of November is a time of grace, prayerfulness and great joy. We began this month with a prayer for beloved ones who had gone ahead of us on November 2nd. Dear sisters I am happy to share with you all the glimpse of the visit of mine to some of the communities in southern part of Tamil Nadu. I am happy to encounter with the sisters and took part in your joy and sorrows. I could see from you all the DMI spirit and fidelity towards God and the Society which is ever fresh and growing. The visitation was fruitful; it was a spiritually enlivening experience for us and at the same time challenging us to deepen our joy and commitment to serve the Lord more fervently. I could experience the prayer life, commitment, team spirit and determination to be united in one spirit glowing and gleaming in the community and in the mission. It was a great moment of delight and enrichment for me and I cherish in the memory in appreciation and gratitude.

In our spiritual Journey, we are constantly generated and regenerated by the unconditional love of God. We often find ourselves oscillating between the immense love of God and our inability to reciprocate to that love in a worthy manner. I urge you, dear Sisters, to strengthen your strength and weaken your weakness to deepen your love for God and humanity by your humble and sacrificial service. I too earnestly request you to pray for the entire world that may experience the healing touch of the Merciful Father through our powerful intercessions through Sacred Heart of Jesus!

Let us implore the Lord and our Blessed Mother to protect humankind, sustain their faith and enfold them with the mantle of peace and compassion.

May the universe be cleansed by God's outpouring graces and be free from all deadly viruses, epidemics, dangers, disasters, and natural and man-made calamities.

May God keep you safe and sound and embrace you in his outstretched arms.

May God Bless us all !

Sr. S. Lalitha DMI
Superior General

Provincial Message

Dear Sisters and Friends,

May the grace and peace of Jesus be always with us!

First of November, we set aside to celebrate all the saints – canonized or beatified and the multitude of those who are in heaven enjoying the beatific vision that is only known to God. The work of God is manifest in the Saints and the beauty of God's truth is reflected in their faith. We should aspire to have part in their joy and be filled with the spirit that blessed their faith on earth we may also know their peace in God's Kingdom. The Saints whom we honor are men and women who learnt from the portrait of Jesus what it means to be a disciple of Jesus and how to become like him. They faithfully lived the ideals of the Beatitudes and today challenge us in our lives. It was their unwavering faith that gave them the courage to make Jesus as the center of their lives. As our Father Founder quotes that the Saints are everywhere and let us believe and imbibe the holiness in our life where we live to lead a saintly life.

The commemoration of All Souls day reminds us that we are connected to one another because the special bond among the members of the church cannot be destroyed by even death. The faithful departed still form part of lives and we gratefully acknowledge their role in shaping our lives. The day and the whole month of November reminds us that we are still one with those who have gone before us into eternal life, and death is not and never be the end. The commemoration of the faithful departed gives us an opportunity to look at the mystery of death and the new life that Christ has own and promised for all who believe. Let's in a special way remember and pray for members of our entire DMI MMI family members, relatives and friends.

May the faithful departed rest in peace!
