Quotes of Pope Francis

"Kindness is firm and persevering intention to always will the good of others, even the unfriendly."

"We will never be disillusioned or lose our way if we are guided by God."

"Grace is not part of consciousness; it is the amount of light in our souls, not knowledge nor reason."

God is the light that illuminates the darkness, even if it does not dissolve it, and a spark of divine light is within each of us."

"Let us pray for peace: peace in the world and in each of our hearts."

"Life is a journey. When we stop, things don't go right."

Quotes of founder father

“Never lose your head in victory and your heart in defeat.”

“Remember the good deeds of others; forget the harm they did to you.”

“Resilience helps you to bounce back in life.”

“The higher you want to go, the less attached you should be to the world”

“The holier you become, the greater will be your temptation.”

“The power within is much greater than what you can imagine.”

“There are sufferings in all walks of life; no growth without suffering.”

Provincial Message

Dear Friends,

A good catholic boy, brought up well by the family, happened to migrate into a town because he secured a job there. In six months' time the mother noted in him, her only son, an abnormal behaviour. She found out that he had become addicted to drugs. His friends and his companions had a great influence on him. He spent a large sum, of what he earned, for this purpose. Finally he died and the mother was very inconsolable. It is understandable that she was unable to bear the loss of her 23 year old son as she loved him above her life. I imagine, such is the case with the heavenly Father who loves his children.

We are made in the image and likeness of God. Each part of our body is precious and is for the praise and glory of God. Our way of living, hence, should not cause others to fall into temptation. It should, rather, enlighten and inspire others to live a life of love, mercy, charity, and purity. Therefore, we should not be the stumbling block for others as well as for ourselves to experience God.

Our hands, feet and eyes are beautiful parts of our body, which help us do all the work and activity of our life. Hence, all these works and activities which are done by the different parts of the body and our senses should render glory to God and merit us for eternal life. Thus, it becomes a call to be integrally oriented to God through our thoughts, imagination, dreams and visions which are actualized in our actions through our hands, feet and eyes. Hence, let us listen to the invitation of Jesus to enter into the Reign of God, even if it meant to lose one eye or one hand or one leg than to have both eyes, hands, legs and go to hell.

May Almighty God Bless us all!
